

Towards Awesomeness

...by Mrs. Joel Bijo Panachamuttill

One would aspire to become awesome at all steps of life. By becoming awesome in life one opens door to abundance of opportunities and possibilities that comes in by putting once awesome vibes into the world. Once this equation of awesome equal's good things and good opportunities will start coming and happening on a regular basis.

Being awesome is waking up early in the morning and moving forward with the intention of progressing as a person in the journey of life and wanting to do whatever you can by making positive difference in your lives and the lives of others.

The process of being awesome cannot happen overnight, one has to go through the process of transformation, realize once own strength and weaknesses, by knowing deeper and deeper about the inner self, thus one being to change as a person and will take the form of one who really wants to be.

The journey of happiness once put into the world causes a ripple effect and does make an impact, one will feel better and want to be healthier and happier, and thus it is a journey towards the pursuit of greatness.

A tone of voice is an expression of a person's values and way of thinking. It cannot be plucked from the thin air, created on a whim nor it is based upon the idea or trend that you have created and consider it has cool. Rather it should grow out of one's own personality as who you are already. Not who you might be tomorrow, but what you look and sound like today.

The organization needs to be that much passionate and change itself according to the changing times and adapt itself to the better tomorrow and should be effective in changing the way the world works. This is how an organization reaches at the pursuit of happiness and wealth
